Optional Covers

You can purchase the following Optional Covers under **FG Laghu Lite** Policy. You must apply for these covers, and pay additional premium as required.

1. Floater Cover

We extend the cover under the **FG Laghu Lite** Policy to physical loss or damage to Stocks at more than one location as follows:

- i. You have declared all locations, and these are shown in the Policy Schedule.
- ii. The aggregate Sum Insured is available for cover of Stocks.
- iii. You have a good internal audit and accounting procedure under which the total amount at risk and the locations can be established at any particular time.
- iv. You must inform Us any change in the address of any location occurring after the Commencement Date.

2. Declaration Policy For Stocks

1. We agree to cover Your Stock on receipt of provisional premium based on Your declaration of the value of Stock, the premium being liable to be adjusted at expiry of the Policy Period, as follows:
2. You will declare to Us in writing signed by You or an authorised person, the value of Your Stock less any amount insured by Policies other than declaration policies. If any Stock is covered by declaration policies, You must apportion to each policy a share of the value of stocks insured by such declaration policies pro-rata to the respective amounts named in those policies.
3. Your declaration shall state
 - i. Average of the value at risk on each day of the month, or
 - ii. Highest value at risk during the month
4. You must give a separate declaration relating to each separate location.
5. You shall give such declaration before the last day of the succeeding month. If You do not make a declaration in time, We will consider the Sum Insured mentioned in the Policy Schedule as the value at risk.
6. At the end of the Policy Period, the actual premium will be calculated at the rate applied under the Policy on the average Sum Insured, i.e.,

The total of values declared or deemed to have been declared ÷ the number of declarations made or deemed to have been made.

7. If the premium calculated on adjustment is less than the provisional premium You have paid, We will repay the amount of the difference not exceeding 50% of the provisional premium.

8. If at the time of loss there is another subsisting insurance policy covering the insured Stock other than on declaration basis, whether You have taken such policy or someone else, We will only pay the amount of difference by which the value of the Stock at the time of loss exceeds the Sum Insured under the other policies, and We will not be liable to contribute more than that proportion which such difference bears to the total value of stocks. In all cases, the maximum We will pay is the relevant Sum Insured

9. If after loss has occurred, it is found that the amount of last declaration before the loss is less than the amount which ought to be declared, We will pay only that proportion of loss which the amount in the last declaration bears to the amount that ought to have been declared.

10. If You cancel the policy (whether any stock exists or not), We will retain short period premium calculated on the average amount insured until the cancellation, or 50% of the provisional premium, whichever is higher. If You cancel the policy after loss has occurred, We will retain the premium of the higher of the two amounts:

i. The pro-rata proportion of the premium calculated on the average amount insured until cancellation plus the pro-rata proportion of the premium from the date of loss to the end of the Policy Period, and
ii. 50% of the provisional premium.

11. You cannot reduce the Sum Insured during the Policy Period.

12. We will not pay more than the Sum Insured, and You need not pay premium on value in excess of the Sum Insured. You and Us can increase the Sum Insured by agreement, and its effective date will be added by Endorsement on the Policy. You are liable to pay an additional provisional premium on the increased Sum Insured proportionate to the unexpired Policy Period. If the rate for the class of the relevant risk is revised during the Policy Period, You must pay an additional provisional premium on the revised rate for the unexpired period. In both these cases, the premium will be adjusted at the end of the Policy Period as stated in **Clause 6** above.

13. If the Insured Stocks are collectively of greater value than their Sum Insured at the time of loss, You will be Your own insurer for the difference, and must bear a rateable proportion of the loss. Every item of Stock shall be separately subject to this condition.

14. All other terms and conditions of the Policy shall apply to the Declaration Policy

taken by the insured. The insured shall be at liberty to take alternative accommodation in any locality so long as it is within the Municipal limit of the city or town in which the PREMISES is situated.

EXPLANATION

These include buildings, plant and machinery, stock, and all other assets, even if You have not taken insurance cover for all of them. Insurable Assets include all assets which You own, or hold as tenant or occupant, or hold in trust or on commission, or are legally responsible for.

4. If the value of all Insurable Assets either exceeds ₹ 50 Crore or reduces below ₹ 5 Crore during the policy period, this policy shall, on expiry, be replaced by the applicable policy.

Sum Insured

1. The maximum claim amount: The maximum amount We pay under this Policy is the total Sum Insured. The maximum amount We pay under this Policy for any cover, or any item, or category or group of items, is the Sum Insured for that cover or item, category or group. The Sum Insured for each cover is as per Policy Schedule.

2. Basis of sum insured:

- i. For Building, Plant and Machinery, Furniture, Fixture and Fittings and any other contents:
Reinstatement Value
- ii. For Stocks:
 - a. For raw material: Landed Cost at Your Premises.
 - b. For stock in process: Input Cost of the stock at the time of damage,
 - c. For finished stock: the Manufacturing Cost of the Finished Stock or the **Contract Price** of goods sold but not delivered and more precisely defined below.
 - d. Contract Price** is in respect only of goods sold but not delivered, for which You are responsible and with regard to which under the conditions of the sale, the sale contract is cancelled by reason of any damage insured under this Policy either wholly or to the extent of the damage. The Company's liability shall be based on the Contract Price.
- iii. Bullion or unset precious stones, any curios or works of art or obsolete machinery and the like are to be covered on Agreed Value basis subject to the valuation certificate being submitted and found acceptable by Us.

3. Restoration of Sum Insured:

If We have paid any loss on Your claim, it reduces the Sum Insured. When We pay You the full Sum Insured for any cover or any item covered, the Policy ends to that extent. If You pay proportionate premium for the unexpired policy period, We will restore the policy to the full original amount of Sum Insured during the Policy Period. This ensures full cover during the period of the policy. However, in case You, immediately on occurrence of loss, exercise Your option not to restore the Sum Insured, the Sum Insured shall stand reduced by the amount of loss.

Example

1. If You repair Your air-conditioning tower insured for ₹ 45 lakhs that is damaged in a fire, and We pay Your claim of ₹ 25 lakhs. You can pay proportionate premium for ₹ 25 lakhs for unexpired period in order to take benefit of full cover.
2. If the tower is destroyed, and We pay Your claim of ₹ 45 lakhs, the new tower that You install will not be covered under this Policy unless the premium is paid to Us for it.
3. If Your building insured for ₹20 Crore is severely damaged and We pay You ₹20 Crore under the FG Laghu Lite Policy for its repair and reinstatement, You will not be covered under this Policy for the new building that You construct, unless the premium is paid to Us for it.

Underinsurance

Underinsurance waiver upto 15% : This is a special feature of the FG Laghu Lite policy, where We waive underinsurance up to 15%.

The Sum Insured for each item of Insured Property must be sufficient to pay for Reinstatement/Replacement of that Property on the date of loss. If the Reinstatement/Replacement Value of the Insured Property, in totality, including additions, alterations, erections and new

acquisitions, is more than the Sum Insured, except to the extent waived i.e 15%, it amounts to underinsurance and will reduce proportionate to the difference, the amount that We will pay for Your claim. Every item of Insured Property is subject to this condition separately.

If at the time of the damage the Sum Insured applying to the relevant Buildings, Plant and Machinery, Furniture, Fixture, Fittings , Stocks and other Contents is less than 85% of the value of Insurable Assets You will be responsible for the difference and the You will bear a proportionate share of the loss.

Examples (These examples only demonstrate the effect of underinsurance. Final claim payable may vary due to application of Excess and other policy terms)

1. You have taken insurance for a Sum Insured of ₹50 Crore which was the value at risk at the insurance commencement date. The value at risk of insurable items at the time of loss is found as ₹57Crore. There is a loss of ₹10 Crore. Underinsurance works out to 12.28% . Since it is less than 15%, We will consider the full claim of ₹10 Crore for payment.

2. Your factory has stored stock of finished goods. Its manufacturing cost is ₹25 Crore. This includes some stock that is older than 6 months. Your FG Laghu Lite policy covers stock of finished goods for ₹30 Crore. Due to change in raw material price, the manufacturing cost of same amount of stock on the date of loss is ₹32.5 Crore. The stock of finished goods with manufacturing cost ₹10 Crore is burnt in fire. Since underinsurance works out to less than 15% , We will consider the full claim of ₹10 Crore for payment.

3. Your shop has FG Laghu Lite Policy. You have insured the structure for ₹ 30 Crore and stock for ₹ 10 Crore. The actual value of structure is ₹ 32 Crore and of stock is ₹ 16 Crore. Stock of ₹ 50 Lakh is burnt in a fire. The stock has underinsurance of 37.5% and hence, we could consider Your claim for payment of ₹ 31.25 Lakh only (62.5% of ₹50 Lakh) by applying underinsurance.

Exclusions, that is, what We do not pay

We do not cover losses or expenses, or any loss, damage to, or destruction of the Insured Property, directly or indirectly as a result of or if caused by or arising from events, stated below:

1. i. Excess of 5 % of each claim, subject to a minimum of ₹10,000 (Rupees Ten Thousand). This means that We will deduct 5 % of each claim, subject to a minimum of ₹10,000 (Rupees Ten Thousand) for each and every loss suffered by You under the terms of this policy.

ii. For terrorism risk the Excess shall be as per the Clause attached with this policy.

 - i. the pollution or contamination itself has resulted from an Insured Event, in which case only physical damage to the Insured Property is covered, or
 - ii. an Insured Event itself results from pollution or contamination.
10. Loss, destruction or damage to bullion or unset precious stones, any curios or works of art unless such amount is declared separately and recorded in the Policy Schedule.
11. Loss of any Insured Property which is missing or has been mislaid, or its disappearance cannot be linked to any single identifiable Insured Event.

Any consequential or indirect loss or damage of any description, i.e. losses or extra costs (financial or non-financial) that follow or are a consequence of an Insured Event, like, loss by delay, loss of income or wages or earnings, or of market, or of time, medical expenses, or any costs not covered by this Policy.
16. Costs, fees or expenses for preparing any claim.
