FUTURE GENERALI INDIA INSURANCE COMPANY LIMITED

CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY
(Version 2)

Approved by the Board of Directors at their Meeting held on February 01, 2016.
1. Introduction:

Future Generali India Insurance Company Limited ("the Company") is a joint venture between India’s leading retailer Future Group, Italy based insurance major Generali providing general insurance services in India.

Future Group has been always involved in initiating and supporting various CSR activities in India and has targeted sustainable development though three principal aspects namely (i) Inclusive Growth, (ii) Community Driven Development and Environmental Responsibilities. The Generali Group on the other hand has over the years demonstrated its social commitment and respect for the environment by supporting and participating in the UN Global Compact, the UN initiative promoting the engagement of companies to support and implement the 10 universal principles on human rights, labour, environment and fight against corruption. In 2010, the Group joined the Carbon Disclosure Project, an initiative to meet the challenges associated with climate change and limit their scope by adopting eco-sustainable behaviour. Following the footsteps of both the Future Group, and the Generali Group, the Company has now decided to initiate and establish its robust commitment towards the society, community development and environment. The Company pledges to adopt and embed sustainability into all its business activities towards a starting step towards its corporate social responsibility initiatives.

This CSR Policy has been accordingly been formulated for supporting and guiding the Company towards accomplishing its responsibilities towards CSR Activities initiated in this regard.

2. Objectives:

The objectives of this policy are to initiate CSR Programmes and activities in India, *inter-alia*, which would enable the Company to achieve one or more of the following:

a. Eradicating hunger, poverty and malnutrition in vicinity of plants with a special focus on Women, children, those affected by disability, displacement due to natural / manmade disasters.

b. Promoting preventive healthcare, sanitation & hygienic practices & making available safe drinking water.

c. Promoting inclusive education for all with a special focus on children with disabilities, including opening centers for research in special education / inclusive education & remedial education for the disadvantaged.
